

Military League Central Orienteering

Kingsbury Water Park

20-Jan-16

Many thanks to John Middler OD and 22 Signal Regt for delivering this event in glorious winter sunshine with fast courses.

These results are interim; final scores will include rank and confirmation of missed controls.

The league is still seeking units to deliver events throughout the year. Minimum requirement is for manpower to support event organisation. Planners and controllers can be found to assist. For more information, please contact Maj Andy Johnson (andrew.johnson966@mod.uk).

Next event - 17 Feb Leek Training Area

More events are being arranged, check regularly at www.baoc.info
