Guest Teams - Harris Team Event - Day 2, Army Inter Unit Team Champs. NOT for Military Teams

A Harris Team event is a bit like a team score. There are a group of controls that each member of the team must visit and a much larger group that at least one member of the team must visit. All controls can be visited in any order. There is a time penalty for each control missed. The team time is the time of the slowest team member multiplied by four. Each class has its own mass start.
