Insurance	For civilians participating in Army orienteeing, Public Liability Insurance is provided by Towergate; individuals are advised to have their own private accident insurance. This event is conducted iaw British Orienteering Rules 2020 and land booked iaw the AOA DIO Licence and JSP907
Orienteering in the Army is classed as individual military training. Competitors are responsible for their own personal safety and for assessing their own abilities to complete the course.	

The personal data you give at Registration will be used by the event organisers and their agents but only for the purpose of processing/publishing entries/results, conducting safety checks and as required by our insurers to validate our cover; and, managed iaw the General Data Protection Regulation (GDPR)

What to expect, what to do

- Please make every reasonable effort to arrive at the event in time for your allocated start window, including allowing time to collect your eTag from registration.
- Follow the signs and the marshal's directions to the parking area. Please watch the marshal's carefully as they have been told that they should not approach car windows.
- All competitors must ensure they are fully hydrated before starting, there will be NO water at the start, on the course or the finish. Carry water, reduce your course length or walk the course to ensure you achieve your aim safely.
- There is no key drop for your car keys. Leave your car fully dressed with all your kit, laces taped, and ready to race. If you have been issued a long term eTag you do not need to visit the EMIT van, go straight to the start. Control descriptions are now in the start lanes. Otherwise, go to the small window on the driver's side to collect an eTag. To the left of the window will be a list in name order that shows your eTag number. You need to give this number at the window. Please keep the queue moving. No more than 6 in the registration queue, or in a start lane at any time and always at least 2m apart.
- Move to the start location keeping aware of social distancing. No more than 6 people in each lane area, that includes the start marshal. Pick up your loose control description. Start at your given time and enjoy your run.
- While you are out on your course please keep your distance from other runners and users of the area. If someone is already at a control, wait for them to leave before approaching. The event is touch-free - you only need to waft your eTag above the control. Do not touch the controls.
- From the finish walk back to the EMIT van. This is the time when you present the most risk to others - you're sweaty and in oxygen debt, so take your time to recover. Please be aware of your actions and aware of others. Download at the rear of the EMIT van, take your splits print and if you have a hire eTag please take it off the strap and drop your tag in one bucket and strap (wrapped up please) in the other bucket. Head to the car park, toilets, refreshments (card only) and home. Have a safe journey.
- The Rule of Six - Please keep in mind the lawful requirement to meet the group "Rule of Six" when gathering with other competitors or volunteers.
- Using hand sanitizer on arrival and departure and at the toilets.

Have fun and enjoy the woods
