Individual can start any loop, but then must follow loops in alphabetical order. Ie on the Brown if you start on "C" you then do D, A + B in that order. You must press the "start" only once on your first loop and the

“finish” at the end of each loop and at the end. Replace your maps in the map box in the transition lane, have a drink and collect your next map or go to download.

Running course out of order will earn you a DNF.

If you don't understand this simple process please ask before you start.
