COURSES

Harris

This is a 2 man Short Harris Course with a spine of 7 controls (orange standard) and a total of other 12 controls to collect.

Window

This is a course of 3.3k long, 75m climb, with windows of approximately 100msq with the rest of the map blanked out.

Corridor

This is a course of 3.4k long, 90m climb, with a corridor of approximately 75m either side of the course line, with the rest of the map blanked out.

Examples of Window and Corridor will be on display at Frith on 07 Sept 14.

Green (for the purists who do not like deviation from the norm)

Standard course of 5.3k long, 125m climb.

Norwegian courses

These courses were designed prior to electronic punching to enable long courses to be planned in a small area. At the start, on the start stake, there will be a small map showing the leg from the start to control 1. At control 1 there will be another small map showing the leg from control,1 to control 2, and so on throughout the course. You carry a blank map and a pen to mark your course as you go along. The first 8 controls are the same for both courses. At control 9 there will be two small maps, one for the long course and one for the short course.

Short Norwegian 3.9k, 60m climb.

Long Norwegian 7.4k, 150m climb.

Score Course

60min. Will use the Harris Course.

The various optimum routes are around 6k to 6.5k with approx. 165m climb.

The Ultimate Challenge

Enter both window and corridor at an individual relay 7.7k, 165m climb.
